**Upper Fly Creek Restoration Project**

Sarah and Joe,

On November 23, 2021 at a regularly scheduled meeting of the Grande Ronde Model Watershed Board of Directors, your proposal titled **Upper Fly Creek Restoration Project** was reviewed.

The Union County Implementation Team recommended the USFS evaluate the broad alluvial valley at the most upstream section of this project for gravel augmentation and small wood placement. Therefore, GRMW staff recommended funding Alternative 2 which includes implementing the downstream section of the project as designed but re-evaluating the upstream section. The GRMW Board agreed with IT and staff recommendations and approved your proposal for funding as follows:

BPA FY2022 - \$261,850

Congratulations! Please work with Tracy Hauser at BPA to complete the contracting process. If you have any questions please call me. Thank you for submitting this proposal.

Sincerely,

Jesse Steele
